Jessica didn't jump one bit. It was just the Jones brothers. Their names were Doug and Chester, but they were also called Bug and Pester. Bug was in fourth grade at Rebus Elementary School. He had blond hair that stuck up in the back, and a lip that curled down like he was always sick. Pester was in sixth grade, but he went to a big private school in Rebus called Piggot Academy. He had dark, wavy hair and a big, fat mole on his forehead.

They were snobs, big-time. It was just Jessica's luck they lived on Archer Street.

"Chuckie, the talking ant!" said Pester. "HOO-HOO-HAAA!"

Jessica held her head high and kept walking. "At least the ants have brains," she said.

Noah held his head even higher. "And in school, they'll get even smarter."
